The Most Worshipful Grand Master addressed the Grand Lodge as follows:

BRETHREN OF THE GRAND LODGE OF ILLINOIS:

Another year, with its vicissitudes and changes, has passed away, and the recurrence of another Annual Communication is an occasion of devout gratitude to our Common Parent for his goodness for permitting us to assemble from the various portions of our extensive jurisdiction to counsel with one another, and devise such measures as will not only continue that prosperity and glory which has so eminently marked the progress of our beloved Order, for years that are past, but will add to its general prosperity, and promote its greatest usefulness; and in assembling together on the occasion of our sixteenth Annual Communication, it is a fit time, and wisely becomes us, as agents to whom has been committed a great trust, to render an account of our stewardship, and to humbly express our gratitude to the Supreme Grand Master who orders and controls all our labors, to whom we owe all things, and by whose permission we live, move and have our being, for the harmony and solid prosperity which has distinguished the progress of Masonry during the year that is about to close.

It becomes my pleasant duty, my Brethren, to congratulate you, the acknowledged representatives of the Masonic Fraternity, on the continued and increasing prosperity of our beloved Order. Under our own jurisdiction, we may in truth say, *that all is well.* The past year has been one marked with unusual activity throughout our entire State, as will more fully appear from the returns of our Subordinate Lodges, and from the number of dispensations granted to form new ones, a number I believe greater than that of any previous year. The Lodges throughout the State were never more actively or successfully engaged in advancing the beneficent purposes for which they were formed, and, with a very few exceptions, harmony and good-fellowship have prevailed throughout our entire borders, so that we may congratulate the fraternity on the realization of that beautiful sentiment so often repeated in our Lodges, and so significant when truthfully uttered, "How good and how pleasant it is for brethren to dwell together in unity."

We now number one hundred and forty-six Lodges working under charter, four under dispensations continued from last year, and three granted at the last Grand Annual Communication, to which I have added during the past year, twenty-three, making in the aggregate the number of one hundred and seventy-six Lodges in this jurisdiction, in whose bosoms are embraced some of the wisest, as well as the best of men in our State: and truly *may we say* that "no institution was ever raised on better principles or more solid foundation."

NEW LODGES.

The dispensations I have granted for new Lodges are as follows, to-wit:

XXII. To Bro. J. A. Jackson as Master; Bro. H. B. Judkins as Senior Warden; Bro. Warren Badger as Junior Warden, and the requisite additional number of brethren, to form and open a new Lodge at Amboy, in Lee county, to be named "Illinois Central Lodge."

XXIII. I also issued a dispensation to Bro. Thomas H. Lowrey as Master; Bro. J. M. Waldren as Senior Warden; Bro. Eli Brock as Junior Warden, and others, to form and open a new Lodge at Fairfield, in Wayne county, to be named "Wayne Lodge." This petition was received before, and the fee accounted for at the last meeting of the Grand Lodge.

Dispensations were also re-issued to "Hope Lodge" at Sparta, Randolph county, to "Wabash Lodge" at Paradise, Cole county, and to "Westfield Lodge" at Westfield, in Clark county, without fee.

It will be observed from the dispensations enumerated, one has been granted to a number of German brethren to form and open a new Lodge in the city of Chicago, to work in the German language. Had it been left for me to mark out the proper policy to be observed in such cases, I would have been constrained to deny the prayer of the petition; but the Grand Lodge having at its Annual Communication in 1845, granted a dispensation under similar circumstances, I did not feel at liberty to refuse. Yet I cannot forbear calling your attention to this subject. This is the second instance of the kind occurring in this jurisdiction, and if this policy is to be perpetuated, we may soon expect to see Lodges working in all the different languages pervading our extensive jurisdiction. To this principle, a number of objections present themselves to me. It never has been the policy of the Masonic Fraternity to encourage, or even tolerate, exclusive Lodges of any character, let the principles of affinity be country, birth, religion, occupation, or any other; and it ought to be our desire to do nothing that would tend to keep alive any distinction among members of the same family, but, on the contrary, to encourage every brother who has adopted this country as his home, to become as speedily as possible, in language and feeling, adapted to the country of his adoption, and to discourage and prevent the organization of distinct Lodges according to their different affinities.

While the several petitions upon which I have granted dispensations to establish new Lodges were all accompanied with the recommendations and certificates required by the regulations of our Grand Lodge, yet there may be some from whom dispensations might have been withheld. These dispensations will all be returned to you, their work presented for inspection and approval. I beg specially to enjoin upon the Committee on "Returns and Work of Lodges under Dispensation," to whom this subject will be referred, a careful consideration whether charters ought really to be granted, the dispensations continued or withdrawn. Before charters are recommended let the committee be well satisfied that the sacred cause of Masonry will be safe in their keeping, that they will not abuse the trust confided to them; and that in their vicinity such material is to be found as, when properly adjusted by the working tools of the Fellow Craft, will serve to beautify and adorn our Masonic Temple. If not, let charters be refused. I am thus constrained to urge upon the committee who shall have this subject in charge, great care and circumspection in the discharge of their important duties, in consequence of information which has recently reached me from one or two of these Lodges, in relation to innovations and irregularities, which if true might tend to mar their peace and harmony, and to the introduction of unsound material, thereby rendering them unsafe repositories for the interests of the Order. The information in my possession, which reached me at too late a period to institute an inquiry into the matter in time for action before this meeting of the Grand Lodge, will be communicated to the committee having the subject in charge.

With perhaps the exceptions referred to, there is every reason to believe that the increase of Lodges thus made, will be one, not only in numbers but in usefulness and worth. The dispensations, I am fully advised, have been placed in the hands of brethren of high moral character, and it is therefore with entire confidence in their prospective usefulness, that I recommend them to your fraternal regard.

In the case of Bro. Nathaniel Wilson, brought up by appeal to the last session of this body from Iroquois Lodge, and at that time referred to me; soon after the adjournment of the Grand Lodge, I entered into the investigation of this matter much disposed to maintain the authority of the Lodge in the exercise of that wholesome discipline so essential to the purity and usefulness of all Lodges. Yet a thorough and careful examination of the evidence and other documents, and an application of the rules laid for the government of such cases, I was forced to the conclusion that the accused was convicted, in violation not only of the rules and regulations of the Grand Lodge, but of those adopted by Iroquois Lodge itself for its own government in such cases. In view, therefore, of all the facts of the case, and all the light accessible to me, I deemed it proper that the finding against Bro. Wilson by Iroquois Lodge should be set aside, and he restored to his original standing in the Lodge, *and I so ordered.*

Early in the Masonic year charges were preferred touching the moral and Masonic character of the W. M. of Franklin Lodge No. 25, and by that Lodge certified to me, requesting my interference in the matter. On the 15th of December last, in compliance with their request, I visited that Lodge and carefully investigated all the evidence, which with the admissions of the accused fully satisfied me, that Masonry had suffered in that locality, and must continue to suffer from the intemperate habits of the accused, while he retained the position he then occupied. In consequence of which, I was constrained, reluctantly, to assume the responsibility of suspending the accused brother from all the privileges of Masonry until the meeting of the Grand Lodge. A certified copy of the proceedings of Franklin Lodge had on that occasion, will be laid before you, as directed by me.

Charges of a like character were presented against the W. M. of Hutsonville Lodge No. 136. That Lodge entertained those charges and investigated them, and found ac-

cused guilty, before any interference on my part was asked for. After the action of the Lodge had been had, my advice was asked for in the premises. I informed the Lodge that by the law as at present received in this jurisdiction, the Worshipful Master of a subordinate Lodge is not responsible to the Lodge over which he presides for his conduct while Master. Other pressing duties prevented me at that time from giving further attention to the matter; and I regret to say, that within a few weeks charges of the same character have again been repeated and preferred against the master of that Lodge. In consequence of the near approach of the meeting of the Grand Lodge, I was prevented from giving to the matter my personal attention. I therefore directed that the charges be certified to this meeting of the Grand Lodge, which will no doubt be done.

A difficulty also occurred in one of the Lodges in the northern portion of the State, which resulted in the suspension of work in that place for some time. I afterwards visited that Lodge, when, I am pleased to say, the whole matter was honorably and fraternally disposed of and the work resumed. These are the only cases, I am happy to say, in which any interference on my part has been required, with the acts and conduct of any Master.

How far the Master of a Lodge is responsible to the Lodge over which he presides, is a question of great delicacy and perplexity, and one upon which distinguished Masons in our own, as well as other jurisdictions, have greatly differed. It has always appeared to me, that it would be no invasion of an ancient Masonic usage to require the W. M. of a Lodge to answer to his Lodge for any moral delinquency of which he may be guilty. A Lodge, in my opinion, must possess ample plenary powers to protect its interests against the withering influence of immoral and vicious members, even when that member occupies the exalted position of Master. But I forbear any further discussion, as this important subject has so frequently occupied your attention, and is now in charge of the distinguished Committee on "Masonic Jurisprudence", whose report will no doubt enable this Grand Lodge, at its present session, to determine what is ancient Masonic usage in the premises.

During the past year a great many communications have been received by me, submitting questions of Masonic jurisprudence, some involving interests of great importance, others which might have been rendered entirely unnecessary, if the slightest attention had been given to the proceedings of our own Grand Lodge, and the resolutions appended thereto, which are ordered to be read in all the Lodges, an injunction I fear lamentably disregarded by many. To all these questions I have given such answers as appeared to me *acknowledged masonic authority would sustain*. In performing this part of my duty, I have deeply felt the responsibility resting upon me, in determining questions of high interest, affecting alike the rights of individual brothers and the fundamental principles of the Institution. In order to the faithful and intelligent performance of this part of the Grand Master's duty, there is much need of "*more light*." In obedience to a resolution of the Grand Lodge, passed at its annual session in 1853, I have kept a record of all the decisions given by me upon questions of Masonic usage and jurisprudence, during this masonic year, which is herewith submitted, and to which I respectfully invite the attention of the Committee on Masonic Jurisprudence.

Masonic Library. — At the annual session of the Grand Lodge for 1852 and 1853, appropriations were made for the purpose of forming the commencement of a Masonic Library, for the use of this Grand Lodge. Whether these appropriations have been wholly expended I am not fully advised. A number of Masonic works are, however, known to have been purchased. Questions of Masonic law are continually being presented, often of an intricate and delicate character, to which it is the duty of the Grand Master or the Committee on Masonic Jurisprudence to respond. A proper solu-

tion of which often requires much study and research. Where then shall the necessary light be obtained in order to an intelligent performance of this important duty? It has not been provided. I trust that this Grand Lodge at its present session will take such action and make such appropriations as will effectually secure the completion of this important object, and to make such other arrangements as will render the volumes now on hand, and hereafter to be obtained, accessible to all who may desire to consult them. I have no doubt that the Grand Chapter would cheerfully co-operate with you in the accomplishment of an enterprise so desirable, and would willingly bear its appropriate share of the expense. A great many works of decided merit have already been published, and others are daily being added to the list of Masonic literature. We have also many valuable periodicals connected with our Institution, sent forth from the different sections of our own country and of Europe, which would be valuable acquisitions to a Masonic library. Among the list of periodicals, I will be excused for naming "The Free Mason's Monthly Magazine," published in Boston, by Bro. Charles W. Moore, as a work creditable to its editor and honorable to the fraternity, and which holds a reputation if equalled *certainly unsurpassed* by any other work of the same character, in this or any other country. And I take great pleasure in availing myself of this opportunity to express the deep obligation I am under for the valuable aid I have derived from the use of that work during the past year. It ought to be in the private library of every Mason.

Masonic Digest.—I would beg respectfully to suggest the propriety of compiling and publishing a methodical digest of the laws and decisions of our own Grand Lodge, and such other questions as may have been determined by other Grand Lodges, down to the present time. The want of such a work is, in my opinion, deeply felt by the Lodges in this jurisdiction. Many important questions have been settled and regulations adopted, which are beyond the reach of our subordinates. It appears to me that the interest of the institution loudly demands the publication of a methodical digest of all approved decisions of Masonic law and usage, to be furnished to the Lodges in some form if it is wished that uniformity in their system of jurisprudence should be observed.

Uniformity of Work.—By a resolution of the last session of the Grand Lodge, it was made my duty to cause the work of the three first degrees of Ancient Craft Masonry to be fully illustrated in open Lodge during the session closing my administration. A committee was consequently appointed by me for that purpose. And I recommend that the Grand Lodge, fix upon some time, in the early part of the session to hear their report. This is a subject of paramount importance, and the business of the session ought to be so arranged as to afford this committee ample time to report and fully exemplify the work in the three first degrees as required by the resolution referred to. In this connection permit me to suggest to your consideration the propriety of selecting some particular text Book *and requiring the same to be used in all our Lodges*. It cannot be doubted that a uniform use of the same text Book would be a valuable auxilary in securing a greater uniformity in the work. It will not, I am sure, be deemed out of place to call your attention to the "Trestle Board," as a work eminently meriting your approbation and adoption.

Confederation of Grand Lodges.—I received an official copy of the proceedings of a convention, held at the City of Washington in January last, for the purpose of maturing a plan for a National Confederation of Grand Lodges, as recommended by the convention at Lexington in 1853. The plan presented is substantially the same as proposed by that convention, and is expected by its friends to accomplish all the good, while it will avoid all the evil of a General Grand Lodge. I much doubt whether any good would result from the confederation proposed, and fear that the jealousies or

prejudices of the Grand Lodges, whether justly or unjustly entertained, are too firmly established to expect so general a concurrence as would make a confederation of this character at all useful, but as this subject will no doubt engage the attention of the Committee on Foreign Correspondence I will only add that it is due to the high source from which it emenates to give the subject a serious and respectful consideration.

I herewith present to the Grand Lodge the following letter received from the Most Worshipful Joseph D. Evans, Grand Master of the Grand Lodge of New York, inviting diplomatic intercourse with this Grand Lodge.

"OFFICE OF THE GRAND MASTER OF THE G. L. OF N. Y. OF F. AND A. MASONS.
NEW YORK, July 3, 1855.

"M. W. SIR AND DEAR BROTHER: You are probably aware that our Grand Lodge has for years been an advocate of the representative system as a means of uniting the different Masonic jurisdictions and of bringing the members of each into a more intimate communion.

"This diplomatic intercourse we have enjoyed for years with several Grand Lodges and are happy in testifying to its great utility. We shall be most happy to bring your Grand Lodge into communion with ours through this reciprocal diplomacy. We find it a very great advantage to have a representative resident near our Grand Lodge from other Grand Lodges; it affords frequent opportunities of extending civilities and preventing impositions. It brings the Grand Lodges upon a more intimate footing, and Masonic courtesies are exchanged and put in practice which otherwise could but rarely if ever be enjoyed during our sessions; there is a satisfaction in finding ourselves surrounded by a respectable Diplomatic Corps; there is a pleasure in beholding the banner of each jurisdiction floating over the head of its representative. We feel that we are in the presence of our brethren from all parts of the world.

"It is not my object to give in detail the many advantages derived from this system but only refer to its enjoyments in general terms. In our experience we have discovered nothing objectionable in it, on the contrary everything in its favor, nor have we seen any argument of force against it. We feel confident that on its trial, every Grand Lodge will permanently adopt it. It certainly brings them more closely together in the bonds of unity and reciprocal love.

"We hope, Most Worshipful Sir, that you will give the subject a favorable consideration. We shall be delighted to interchange representatives with you, and will thank you to let us hear from you on the subject at your earliest convenience.

With the highest respect, I remain in the bonds of fraternal affection,
JOSEPH D. EVANS, GRAND MASTER.

"To M. W. JAS. L. ANDERSON, G. M., Grand Lodge of Illinois."

I commend this subject to your favorable consideration.

BALLOTING FOR CANDIDATES.—There is perhaps no question of Masonic Law of more vital importance, than the Law which governs the admission of candidates, and no one which has been more thoroughly agitated and discussed by the different Grand Lodges and Masonic Editors. The principles of this important privilege have been so well settled by our own Grand Lodge, that we can scarcely conceive an excuse for its abuse. Yet I regret to say that its abuse is becoming a matter of too common occurrence, or its principles are not fully understood. During the past year frequent complaints have reached me in relation to the proper exercise of this privilege. In one instance the W. Master refused to declare the candidate rejected after the result had been clearly ascertained by a repeated ballot. In our opinion such conduct is indefensible. The Worshipful Master is clothed with no such power. It is his duty to declare or cause to be declared the rejection of the candidate whenever the result is clearly ascertained. On receiving the information referred to, I ordered the candidates to be declared rejected, which I have no doubt has been done.

In another of our Lodges it is held that the petition of a rejected candidate may at any subsequent meeting, without regard to time, be entertained by the Lodge, there being no express edict of this Grand Lodge, or general regulation of Masonry to the contrary, as they allege. Most of the Grand Lodges in the United States by direct edict have prohibited a candidate from a second time petitioning, until twelve months

shall have elapsed from the time of his rejection. This regulation has been twice indirectly recognized by this Grand Lodge, first at its session in 1850, and again in 1853. And indeed so general does this regulation prevail, that it may be considered Common Law even where a Grand Lodge has made no edict in reference to it. I would respectfully suggest the propriety of adopting some regulation that will make the requirement of this Grand Lodge on this subject, so plain that he who runs may read.

DISPENSING POWER.—I have in the course of this Masonic year frequently, *very frequently*, been called upon for authority to act upon petitions and confer the degrees within a period shorter than the time prescribed by the regulations of our Grand Lodge and also to entertain petitions from those who had not resided twelve months within our jurisdiction. The ready facility with which candidates are admitted into our Lodges is in my opinion the greatest danger to which our Institution is exposed. In the constitution of the Grand Lodge of England, is to be found a provision to this effect. "No Lodge shall on any pretense make any person a Mason without a regular proposition at one Lodge, which shall lay over until the next regular stated meeting, nor until his name, addition or profession and place of residence shall have been sent to all the members." To which is appended the following note, "No dispensation can be granted to suspend the operation of this law." This rule of the Grand Lodge of England is the result of a ripe experience, and strongly commends itself to our practice. Indeed so averse am I, to the exercise of this power, that I have deemed it my duty in every case, with one single exception, to decline granting the dispensation prayed for. And I am strongly impressed with the belief that the interest and permanency of the Order would be greatly advanced by a total abrogation of the dispensing power.

FINANCE.—I will be excused for directing your attention at this communication to the subject of finance as connected with our "Grand Representative Fund." This fund was created by the Grand Lodge at its session in 1852, and has in my judgment worked injustice to the Lodges, and been productive of great embarrassment to the finances of the Grand Lodge. It has been wholly inadequate to the purpose for which it was created. At the introduction of this system in 1852, there was a considerable accumulated fund in the Treasury, all of which has been expended and large indebtedness incured to the Grand Charity fund in order to pay officers and representatives.

Since 1852, including the session of last year, there has been paid for mileage and per diem the sum of $4,246 47-100 while there has been received only $2,047 88-100 thus showing that the amount paid out for that purpose exceeds by $2,200 the amount provided to meet the same and the deficiency would have still been greater had not a deduction of 20 per cent. been made at the last session on the amount due under the system to the officers and representatives. It is true that there was an additional tax imposed upon the Lodges by a vote of last year, in order to provide against any future deficiency in this repect, which will make the receipts of this year to that fund upon the basis of last year's representation amount to the sum of $1,922 54-100 which will still be less than the amount required to pay the representatives and officers of the Grand Lodge by the present regulation. Thus it will be seen that by the present arrangements an adequate provision is not made for the future, for it cannot be doubted that the increase of Lodges and members will not keep pace with the increase of representation. As the facilities for travel increase we may expect to see a much larger proportion of our Lodges represented. At the last meeting of the Grand Lodge, the representation was much larger than at any previous communication and yet twenty-five per cent. of our Lodges were unrepresented while all or nearly all had paid their proportion of the representative fund. If this system is to be perpetuated, some modification is absolutely necessary in order to avoid future embarrassment. In our opinion in

this as in most of the other jurisdictions, the actual expenses incurred by the representatives should be borne by their respective Lodges, and the Grand officers, if paid at all, from the Grand Treasury. This matter however is in your hands and will no doubt receive whatever attention it may merit.

Satisfied as I am that our Institution properly administered and practiced, is well calculated to exert a powerful influence in subduing human passions, and exciting to the practice of an elevated morality, I cannot let this occasion pass without reiterating the recommendation of my immediate predecessor, by again calling your attention to the subject of *Temperance*, and urging the great necessity and absolute duty of every good Mason to create for our Lodges a high standard of moral action. In order that Masonry may maintain its ancient doctrines, and enforce their practical exemplification, it behooves this Grand Lodge to enjoin upon its subordinates to take cognizance of the dereliction of its members in this respect. Temperance is the virtue first enumerated which masonry regards "*Cardinal*."

Masonry has created for itself a high standard, and it is but just that the lives and conduct of its followers should be expected to conform to their professions, and our Lodges must be impressed with the obligation to maintain that standard. The purity of our precepts can only be manifested by our actions. "By their fruits ye shall know them." In some instances an ill-judged charity has permitted such to remain in some of our Lodges who are guilty of Intemperance and profane swearing, whereby the virtuous and good are made to distrust the excellence of our Institution. I recommend no new Masonic statute on this subject, but a practical illustration of the beautiful precepts already enjoined. In the "Great light of masonry," which is ever open in all our Lodges, and recognized as the fountain of our principles and the rule of our action, nothing can be found to justify *profanity or intemperance*. These practices are clearly unmasonic, and we must so teach practically as well as by precept. No man, properly speaking, can be a mason unless he be "a good man and obey the moral law", and no one can do so, and indulge in these distrustful vices. Opposition, clothed in prejudice of immemorial duration, has given way, and now it only needs a faithful and honest practice of our precepts to convince the world of the goodness of our Institution.

Before closing what I have to say on this occasion, I desire to advert in the most grateful terms to the material aid afforded me in the discharge of my duties by our R. W. Grand Secretary.

It is but just to say that my labors have been greatly lightened, through the general promptness, fidelity and just conception with which he discharges the many duties of that important office.

It affords me much pleasure to say, that notwithstanding the few irregularities to which I have felt it my duty to call your attention, and which are to be plainly traced to the imperfections of man's nature, and while there are to be found in our jurisdiction, differences of opinion, and sometimes upon cardinal points, yet, at no time in the history of the institution in this State, have its friends had so great a promise of its future usefulness. And now, while I am soon to retire from the high and responsible station, to which your generous confidence has elevated me, I have nothing to offer in return but the sincere tribute of a grateful heart, and to return my heartfelt thanks for the courtesy and respect, so generously manifested to me, throughout my official term now advancing to a close. And while I may not have been able to bring into your service, that measure of ability so eminently possessed by those who have preceded me, or by those who may follow, yet I know that this Grand Lodge will do me the justice to believe, that my best exertions have been devoted to advance *the high and holy mission*

of *Free Masonry*. And when the badge of office shall be laid aside, as a private member, my heart will be with you.

In conclusion, as we proceed to the business of our annual communication, let us remember that in all our deliberations we have high and lofty ends to accomplish, to promote the harmony and welfare of our beloved Order, and give practical effect to its beautiful precepts. And if we are not all permitted to meet together again in the Grand Lodge on earth, may we all so live that each one of us, without a single exception, may be able at last, to frame to pronounce aright the pass-word that will secure admission to ultimate communion with the Supreme Grand Master, in the Celestial Grand Lodge above.

Your Committee on Finance and Accounts offer the following report:

We have examined the account of the M. W. Grand Master, and find that he has received the sum of $330;—that he has paid to the Grand Secretary $120;—that he has paid for printing dispensations, for postage, stationery and travelling expenses, $31 70; and has paid the balance, $178 30 to the Grand Treasurer, and taken his receipt for the same, and recommend that the same be approved.

We have also examined the bill of the Grand Tyler, A. R. Robinson, for making 200 aprons, $30, and recommend that the same be paid.

On Motion of Bro. BENNETT,

The recommendation of Clinton Lodge that A. F. RAINEY, an ex-

pelled Master Mason, be restored to all the rights and privileges of Masonry, was referred to the Committee on Petitions and Grievances.

The Grand Master read the following communication:

"CHICAGO, February 11, 1855.

"M. W. JAS. L. ANDERSON, Esq., G. M. G. L. Ill.—

"*Dear Sir and Brother:* I have written you several letters, and have never yet received an answer to one. I also sent you about two months since, a petition for a dispensation for a Lodge to be located at Bellevue, Nebraska Territory, with directions to forward the dispensations to me, as the parties were here waiting for it. I received no answer to that communication. The parties have written to me several times in regard to the matter. Last week I sent them a dispensation for a Lodge, to be called Nebraska Lodge, to be located at Bellevue, Nebraska, and appointed Bro. L. B. Kinney as Master; Bro. P. J. McMahon as Senior Warden, and Bro. George P. Hessner as Junior Warden. The petitioners were all vouched for by Bro. A. R. Gilmore, who is a member of Garden City Lodge of this city, and also one of the petitioners, and were recommended by Lafayette Lodge, No. 18 of this city. If I have overstepped the bounds let me know. From your not answering my letters, and learning, "though not officially," that you were out of the State, I assumed the responsibility, trusting it would meet with your approbation.

"Another. The Master of Wabansia Lodge under dispensation, finding his business of such a nature, as to be unable to attend to the duties of the office, sent me his resignation, as Master of said Lodge. I consulted with Brothers Blaney and Bird, and with [their] counsel, accepted the resignation, and appointed Bro. John H. Dart as Master in his place. Bro. Dart is a P. M. and one of the highest Masons in the State.

"I should be happy to hear from you occasionally. I should like to know if you have received any of my letters. The Lodges here, and in this section, are in a good, healthy condition. I remain Yours, Truly and Fraternally,

"T. O. WILSON, D. G. M."

GRAND MASTER'S REPLY.

RUSHVILLE, March 3, 1855.

T. O. WILSON, Esq., D. G. M., Grand Lodge of Illinois, Chicago.

R. W. SIR AND BRO.: Your favor of the 11th of February, postmarked the 24th, was received in due course of mail, and contents duly considered.

Your letter caused me much astonishment by stating that you had written to me "several letters," *not one of which has been received by me*, neither was the petition referred to.

I have not been absent from my home at any one time since my return from the Grand Lodge whereby my correspondence *could in the least suffer*. If I should find it necessary to be absent from the State during the Masonic year, I will notify you of the fact, or cause it to be done. I do not wish to be understood as complaining of you for exercising the authority of granting the dispensations referred to in your letter, but I do doubt the legality of such dispensations, when granted, while neither of the disabilities exist referred to in the 4th section of the By-Laws. I know of no authority for your granting them either by law or precedent in our Grand Lodge, nor in any other where the power is not expressly delegated. * * * *

Very Truly and Fraternally yours,
JAS. L. ANDERSON, G. M. G. L. of Ill.

The same were referred to the Committee on Lodges U. D.

Bro. Scanland from the Committee on Lodges U. D. submitted the following report, which was accepted and adopted.

To the M. W. Grand Lodge of Ill.:

The Committee on Lodges under Dispensation respectfully report that they have examined the work, returns and By-Laws of the following named Lodges, and find them correct, with the exceptions hereinafter named, to-wit:

Wabansia, Germania, Matteson, Westfield, Virden, Girard, Wethersfield, Mendota, Illinois Central, Cherry Valley, Milford, Evergreen, Star-in-the-East, Wayne, Stanton, Oswego, Atlanta, Lena and Nunda.

Your Committee offer for adoption the following resolutions:

Resolved, That charters be granted to the following Lodges, to-wit:

Wethersfield Lodge, as Wethersfield Lodge No. 159;
Wabansia Lodge, as Wabansia Lodge No. 160;
Virden Lodge, as Virden Lodge No. 161;
Hope Lodge, as Hope Lodge No. 162;
Westfield Lodge, as Westfield Lodge No. 163;
Lawrenceville Lodge, as Lawrenceville Lodge No. 164;
Atlanta Lodge, as Atlanta Lodge No. 165;
Star-in-the-East Lodge, as Star-in-the-East Lodge No. 166;
Oswego Lodge, as Oswego Lodge No. 167;
Milford Lodge, as Milford Lodge No. 168;
Nunda Lodge, as Nunda Lodge No. 169;
Evergreen Lodge, as Evergreen Lodge No. 170;
Girard Lodge, as Girard Lodge No. 171;
Wayne Lodge, as Wayne Lodge No. 172;
Cherry Valley Lodge, as Cherry Valley Lodge No. 173;
Lena Lodge, as Lena Lodge No. 174;
Matteson Lodge, as Matteson Lodge No. 175;
Mendota Lodge, as Mendota Lodge No. 176;
Stanton Lodge, as Stanton Lodge No. 177, and to
Illinois Central Lodge, as Illinois Central Lodge No. 178, and that the Representatives of each in attendance be invited to take seats in this Grand Lodge as such.

Your Committee find various objections to the By-Laws submitted to their inspection, such as allowing petitions to be withdrawn before a ballot, (see resolution 41, page 46 of the printed proceedings of this Grand Lodge.)

They also find a clause allowing demits, contrary, as your Committee think, to the spirit at least, if not to the letter of resolution 6, on page 42, and resolution 46, page 46 of the Grand Lodge Proceedings. The By-Laws of Westfield Lodge contain a provision that the members as well as applicants must believe in "future rewards and punishments". They also provide for the admission of Entered Apprentices and Fellow Crafts under petition contrary to resolution 1, page 42, of the Grand Lodge proceedings.

Your Committee being divided upon the propriety of recommending that a charter be granted to Germania Lodge to work exclusively in a foreign language, desire, without any argument, pro or con, that your honorable Body take such action in the premises as in your opinion is best calculated to promote the harmony, peace and prosperity of the Fraternity under your jurisdiction. Your Committee are further of opinion and would unanimously recommend, that your honorable Body make it the duty of your

Grand Secretary to prepare a well-digested code of By-Laws, and furnish all Lodges in this State with a copy of the same in the printed proceedings of the Grand Lodge, and that all of said Lodges, as well as all Lodges hereafter applying for dispensations, be required by the Grand Master to adopt and be governed by the same.

T. J. WADE,
R. W. SCANLAND,
H. S. JACOB,
S. STEVENS,
N. H. DEARBORN.

M. W. Bro. PICKETT, from the Committee on the Grand Master's Address, made report as follows, which report was accepted and adopted.

The Committee to whom was referred the Grand Master's Address beg leave to submit the following

REPORT:

The Message of our Most Worshipful bears ample testimony of his "zeal for the Institution of Masonry," and is a production creditable alike to his head and heart.

Your Committee cannot forbear a word of congratulation on the unprecedented prosperity of Masonry in our Prairie State. Surely there *must* be inherent virtue in an organization that, regardless of the scoff of the fool and the sneer of the bigot, increases in the short space of 16 years, from two or three Lodges, and a mere handful of brethren, to one hundred and seventy-six Lodges, and more than six thousand true and faithful Craftsmen.

Your Committee would recommend that so much of the Grand Master's Address as refers to new Lodges be referred to the Committee on Lodges U. D., except the subject of the formation of Germania Lodge in Chicago, which your Committee think of sufficient importance to demand the attention of the Committee on Masonic Jurisprudence.

The suspension of the Master of Franklin Lodge, No. 25, until the present session of the Grand Lodge by the Most Worshipful Master opens a new question, (at least within this jurisdiction,) in reference to the rights of Masters, and the prerogatives of Grand Masters, and your Committee recommend that the subject be laid before the Committee on Masonic Jurisprudence, and that that Committee be required to report at their earliest convenience.

Your Committee learn that the question "How far a Master of a Lodge is responsible to the Lodge over which he presides," alluded to in the Address of the Grand Master, is already engaging the attention of the Jurisprudence Committee, and they do not, therefore, feel called upon to express an opinion.

The subject of a Masonic Library is one of interest and importance, and your Committee would recommend that so much of the Grand Master's Address as refers to that subject, be referred to the Special Committee on the "Morris Universal Masonic Library," appointed yesterday afternoon.

Your Committee would recommend that so much of the Grand Master's Address as refers to a methodical digest of the laws and decisions of this Grand Lodge, be referred to the Special Committee of Past Grand Masters, (appointed yesterday) to consider the resolution of the R. W. Deputy Grand Master.

Your Committee are aware of the difficulty of procuring even a tolerable uniformity of work in a jurisdiction composed, as is ours, of brethren from almost every State in the Union, and coming together with prepossessions naturally clinging to our own mode of work; but your Committee fully agree with the Most Worshipful as to the im-

portance of at least *endeavoring* to produce uniformity, and to this end, as an important auxiliary, your Committee would submit the following resolution:

Resolved, That the "Masonic Trestle Board," published by R. W. Bro. Charles W. Moore, of Boston, is a publication eminently meriting the approbation of this Grand Lodge, and that the subordinates within the jurisdiction of this Grand Lodge, be recommended to make use of the same in conferring degrees.

Your Committee would recommend that so much of the Grand Master's Address, as refers to the question of balloting for candidates, be referred to the Committee on Masonic Jurisprudence.

Your Committee would recommend that so much of the Grand Master's Address as refers to the subject of the Grand Representative Fund, be referred to the Committee on Mileage and Per Diem.

Respectfully submitted,

T. J. PICKETT,
I. A. W. BUCK,
SAMUEL HUTTON.

Your Committee would further report, that they have examined the work and returns of Moultrie Lodge, and find them to be correct, with the exception that much of the work was done in too short a space of time, but would recommend that a charter be granted to said Lodge as Moultrie Lodge, No. 181, and that the representative of said Lodge be invited to take his seat.

Your Committee would further report that they find the following irregularities in the returns and work of the following named Lodges, to-wit:

Friendship No. 7, Taylor No. 98, Rockford 102, Elgin 117, Oquawka 123, Iroquois 83, Geneva 139 and Richmond 143, received petitions and acted on the same in less time than one lunar month, which is contrary to resolution No. 1, page 42, proceedings of 1854.

Mound Lodge No. 122 received a petition of, and initiated a candidate, under twenty-one years of age, which is not in accordance with established Masonic law.

Temperance Lodge No. 16 gives no date of work except month and year.

Clinton Lodge No. 19, Piasa No. 27, Golconda No. 131, and Taylor No. 98, initiated and passed candidates in less time than one lunar month, which your committee think highly improper and contrary to the regulations of this Grand Lodge.

Macomb Lodge No. 17 gives no christian name of one applicant whose petition was rejected.

Your Committee believe that some of the Lodges act upon petitions in less time than one lunar month, under the impression that the time from one stated meeting to another is a compliance with the By-Laws and regulations of this Grand Lodge. Your Committee are of the opinion that in no instance the candidate should be balloted for in less time than one lunar month.

All of which is respectfully submitted,

L. LUSK,
J. S. REARDON,
J. W. SPALDING,
GEO. W. TEEL,
JAS. B. KYLE.

The Committee on Grievances submitted the following report, which was accepted:

The Committee on Petitions and Grievances beg leave to offer their further report as follows:

1. In relation to the cases of Bros. Robert Chism and John H. Reddish, from Fidelity Lodge 152, your Committee adhere to their former report; Bro. D. Jay, Worshipful Master of said Lodge, being present.

2. In the case of Bro. James Vaughn, expelled from Trio Lodge No. 57, your Committee do not find that said Bro. Vaughn was furnished with a copy of the charges against him, or notified of the time of trial; they therefore think that the action of said Trio Lodge, in expelling Bro. Vaughn, was irregular, and therefore recommend the restoration of Bro. Vaughn to all the rights and privileges of Masonry, and that Trio

Lodge No, 57 be instructed, if they have cause of complaint against Brother Vaughn, to proceed to prefer charges, give notice and try him in a regular and legal manner.

3. In the case of W. L. Ferguson, from Mt. Joliet Lodge No 42, the Committee are unable to arrive at any satisfactory conclusion; the papers in the hands of the Committee, in fact, exhibit no case for discipline.

4. The case of A. E. Mandeville, from Iroquois Lodge No, 83, appears to have been decided by that Lodge, without charges being formally preferred against him, but was based upon the personal knowledge of the Committee and other members of the Lodge, and it does not appear, from the papers in our hands, that he was notified to attend, or that he was present at the trial; we therefore deem the action of the Lodge irregular, and recommend the restoration of Bro. Mandeville.

5. In the case of Bro. Daniel M. Kittinger, W. M. of Franklin Lodge No. 25, the Committee recommend the continuance of his suspension, until the members of his Lodge shall have evidence of reformation, and deem him again fit to associate with them as a worthy brother.

6. In the case of Bro. Spottswood A. Washington, expelled from Iroquois Lodge No. 83, the Committee being satisfied, from the evidence before them, that he has manifested a becoming spirit of penitence, recommend his restoration to all the rights and privileges of Masonry.

7 In the case of Bro. David C. Wright, expelled from Iroquois Lodge No. 83, the Committee are of the opinion that the action of said Lodge should be sustained.

All of which is respectfully submitted,

A. W. RAWSON,
M. J. NOYES,
A. HAYDEN,
E. M. M. CLARKE.

The question was taken on concurring in the *first* and *second* recommendations and decided in the affirmative.

The case of W. L. Ferguson was referred to the Grand Master elect, with power.

The recommendations in regard to A. E. Mandeville, Daniel M. Kittinger, Spottswood A. Washington and David C. Wright, were severally concurred in, and said Committee discharged.

The M. W. Grand Master appointed the following Committees:

To visit Hutsonville Lodge No. 136—W. Bro. Jonathan Young, of Prairie Lodge No. 77; W. Bro. William S. Price and Bro. John W. Barlow, of Marshall Lodge No. 133.

On Library—M. W. Breth. Wm. C. Hobbs, Thomas J. Pickett and Wm. B. Warren.

To revise Constitution, By-Laws, &c., under M. W. Bro. Herrick's resolution—M. W. Bro. Herrick, R. W. Bro. Reynolds, and W. Bro. Bird.

On motion,

Resolved, That the increased fees for Dispensations for Lodges U. D., ought not to apply to Dispensations granted during this Grand Communication.

The Committee on Mileage and Per Diem submitted the following report, which was accepted and adopted:

The Committee on Mileage and Per Diem, to whom was referred that portion of the Address of the Most Worshipful Grand Master relative to the Grand Representative Fund, and the Mileage and Per Diem of members, would respectfully report, that they have not had sufficient time to digest any plan, or system, which in their opinion would

prove to be satisfactory to this Grand Body, and would therefore recommend that the subject be referred to a special Committee of three, with instructions to adopt some suitable plan for accomplishing the object to which the attention of this Grand Body has been directed, and to report the same to this Grand Lodge at its next Annual Communication.

All of which is respectfully submitted.

EDW'D M. M. CLARKE,
W. LOUCKS,
JOHN S. WINTER.

The Committee on Chartered Lodges, to whom was referred the objections filed by Franklin Lodge to the statement contained in a circular issued by Madison Lodge, last summer, reported as follows:

The Committee on Chartered Lodges, to whom was referred the matter of difficulty between Franklin Lodge No. 25 and Madison Lodge No. 101, report that they have had the same under consideration, and find from the papers submitted to them, and the statements of Bros. who were before them, that the Brethren of Madison Lodge issued a circular to the Lodges under this jurisdiction derogatory to the character of the Brethren of Franklin Lodge No. 25, which (although there may have been mitigating circumstances) your Committee deem highly unbecoming in Masons, and which the Brethren of Madison Lodge ought to retract.

Your Committee, therefore, offer the following resolution:

Resolved, That the Brethren of Madison Lodge No. 101 did manifest injustice to the Brethren of Franklin Lodge No. 25, by the issue of their circular, and are required to retract the same. Respectfully submitted,

L. LUSK,
JAMES S. REARDON,
JOHN W. SPALDING,
JAMES B. KYLE,
GEORGE W. TEEL.

The said report was accepted and, after consideration, the resolution was adopted.

The Committee on Finance and Accounts submitted the following report, which was accepted, considered and adopted:

APPENDIX B.

CONSTITUTION.

BE IT ORDAINED—That the Grand Lodge shall consist of a Grand Master, a Deputy Grand Master, Senior Grand and Junior Grand Wardens, a Grand Orator, a Grand Chaplain, a Grand Secretary and Deputy Grand Secretary, a Grand Treasurer, two Grand Deacons, a Grand Marshal, a Grand Tyler, two Grand Stewards, a Grand Sword-bearer, a Grand Pursuivant, the Master and Wardens for the time being, of the several Lodges under the jurisdiction of this Grand Lodge, all Past Grand Officers of this Lodge, and all Past Masters of Regular Lodges under the jurisdiction of this Grand Lodge, who continue members of any regular Lodge.

This Grand Lodge, so to be organized, shall be styled and known by the name of "The Grand Lodge of Illinois, of Ancient Free and Accepted Masons."

The Grand Lodge shall hold Annual Communications; and the Grand Master, or his Deputy, in case of his absence, may, on very urgent occasions, call special meetings.

When any officer of a Subordinate Lodge cannot attend the Grand Lodge, he may depute any brother, being of equal rank, or superior to himself, to act for him in the Grand Lodge; and such deputation shall be under the hand and seal of the brother deputing. When the Master and Wardens of any Subordinate Lodge depute the same brother to represent them, he must have attained at least the rank of Past Master.

Past Grand officers may hold offices in Subordinate Lodges, and this shall not deprive them of any privilege they might claim in the Grand Lodge as Past Grand Officers.

The Grand Master, Deputy Grand Master, Senior and Junior Grand Wardens, Grand Secretary, Grand Treasurer, Grand Orator, Grand Chaplain, and Grand Tyler, shall be annually elected by ballot, on the second day of each Annual Grand Communication, and they shall be installed into their respective offices before the adjournment of the Grand Lodge, and shall hold the same until their successors shall be duly elected and installed, and all other officers whose election is not provided for therein, shall be annually appointed by the Grand Master for the time being.

In all elections and questions which shall come before the Grand Lodge for its action, every Subordinate Lodge shall be entitled to three votes collectively, from its representation agreed on amongst themselves; the Grand Master one vote; the Deputy Grand Master one vote; the Past Grand Masters one vote collectively; and the Grand Wardens one vote collectively.

Past Masters, members of Subordinate Lodges, under the jurisdiction of this Grand Lodge, not representatives, one vote collectively; and all questions and elections shall be decided by a majority of the votes given.

The Grand Lodge shall have the power to constitute new Lodges, by letters patent, under their seal.

To establish a uniform mode of working throughout the State, strictly adhering to the ancient landmarks, usages and customs of Masonry. And in furtherance of this desirable object, it shall be the duty of the Grand Master, or some well informed brother by him appointed, occasionally to visit every Subordinate Lodge under the jurisdiction of this Grand Lodge, to lecture and instruct the brethren, and to correct such errors as may have obtained among them. To require from the several Lodges under their jurisdiction such annual dues as they may deem necessary, to be appropriated for the benefit of the Craft.

To hear and determine all appeals from Subordinate Lodges, and to decide all disputes between the different Lodges under their jurisdiction.

To demand such fees as may be deemed just and reasonable, upon granting Charters constituting new Lodges.

To make such By-Laws as may be necessary for their good government, and not inconsistent with this Constitution.

And to do all things heretofore accustomed to be done by other Grand Lodges, which are within the ancient landmarks and usages of the Craft.

No alteration shall take place in this Constitution except in the manner following:

"Every amendment shall be proposed in writing, by a majority of votes present in any Grand Annual Communication of the Grand Lodge; a fair copy of which shall be sent by the Grand Secretary to each of the Subordinate Lodges, who shall pass or reject the same; and certify their proceedings at the next regular Grand Communication; and if it shall appear by returns to the Grand Secretary, that a majority of said Lodges shall have made no return of their having taken action on such proposed amendment, then such amendment may be made by a vote two-thirds of the voters present in any session of said Grand Lodge, and shall become a part of this Constitution."

BY-LAWS.

SECTION 1. The annual meetings of the Grand Lodge shall be held in the town of Springfield, on the first Monday of October, at which time the Grand Officers shall be elected and appointed, in the manner prescribed by the Constitution.

SEC. 2. No brother admitted as a visitor during the session of the Grand Lodge, shall be permitted to vote on any subject before, nor to speak on any subject without leave of the M. W. Grand Master.

SEC. 3. No member shall be eligible to the office of Grand or Deputy Grand Master, unless he shall have passed the chair in some regular Lodge, unless it be in cases of emergency.

SEC. 4. In case the chair of the Grand Lodge shall become vacated by death, resignation, or otherwise, it shall be filled by the Deputy Grand Master, and in case any other office becomes vacated by death, resignation, removal or otherwise, the Grand Master, for the time being, shall fill such vacancy.

SEC. 5. Every Lodge under the jurisdiction of this Grand Lodge, shall at each Grand Annual Communication, deliver to the Grand Secretary, a list of the officers and members of their Lodge, also a list of the initiations, admissions, deaths, removals, suspensions and expulsions of members, and rejections of candidates, with their respective dates, signed by the Master and attested by the Secretary.

SEC. 6. No Letter, or Warrant of Dispensation, shall be granted for the formation of a new Lodge, but upon the petition of at least seven known and approved Master Masons, in which their first Master or Wardens shall be nominated; which petition

shall be accompanied by a recommendation from the Lodge nearest to the place in which the new Lodge is to be holden.

SEC. 7. For every Letter, or Warrant of Dispensation, for the formation of a new Lodge, there shall be paid into the Grand Treasury the sum of twenty-five dollars; and for every Charter or Constitution the sum of five dollars, and the further sum of two dollars in addition, to be paid to the Grand Secretary—which said sums, respectively, shall be paid before the delivery of the Warrant or Charter. And in all cases where the seal of the Grand Lodge is required to be affixed, there shall be paid by the applicant, to the Grand Secretary, the sum of two dollars.

SEC. 8. Every Lodge under this jurisdiction shall pay into the Grand Treasury the sum of forty-five cents annually as a Grand Representative fund, and a further sum of twenty-five cents annually, for each member belonging to their Lodge at the time of making their Annual Grand Communication: *Provided*, That no Lodge shall pay a less sum than five dollars. And the Masters and Wardens, or representatives of any Lodge, shall not take their seats in the Grand Lodge until all their dues are paid, and the Treasurer's receipt therefor be produced, and in case of the neglect or refusal of any Lodge to pay the same, at or before the next Communication thereafter, unless reasonable excuse be offered, such Lodge shall be stricken off of the books of the Grand Lodge, and their Warrant or Charter considered null and void; but, on proper application to the Grand Lodge, making the returns, and paying off dues, they may be restored to their former rank and privileges, if the Grand Lodge shall judge proper.

SEC. 9. It shall be the duty of the Grand Treasurer to lay before the Grand Lodge, at each Annual Grand Communication, all his accounts, for inspection and adjustment, and shall immediately pay over to his successor any balance which may be found due from him to the Grand Lodge, together with all the books, papers, and documents belonging to his office.

SEC. 10. All appeals from any Subordinate Lodge shall be in writing, and left with the Grand Secretary, and the appellant shall give the other party at least one month's notice thereof, or otherwise the Grand Lodge shall not proceed to hear and determine the same.

SEC. 11. When any brother shall be suspended or expelled from the privileges of Masonry, by any Lodge, information thereof shall be sent to the Grand Lodge, and all subordinate Lodges under this jurisdiction, as soon as convenient; which expulsion or suspension shall be published by the Grand Lodge with the journal of Proceedings; but no member of any Lodge shall be permitted to make public such action, or communicate the same to any person not a Mason, except by a resolution of the Lodge from which the brother has been excluded.

SEC. 12. In all cases of the suspension, or expulsion, or restoration of a member, two-thirds of the votes of the members present shall be required; and in all cases of the restoration of a Mason, suspended by any Lodge under the jurisdiction of this Grand Lodge, the same majority shall be required. No expelled Mason shall be restored to the privileges of Masonry, except by a vote of the Grand Lodge, and such restoration shall not reinstate him in membership in the Lodge from which he was expelled, without the unanimous consent of the members thereof.

SEC. 13. The Grand Master, Deputy Grand Master, Grand Wardens, Grand Treasurer and Grand Secretary, for the time being, or a majority of them, shall be a Standing Committee of Charity, under whose direction the Grand Charity Fund shall be distributed.

SEC. 14. Upon the demise of any Lodge within the jurisdiction of this Grand Lodge, the last Secretary and Treasurer of the said Lodge shall, within six months thereafter,

surrender to the Grand Secretary all the books, papers, jewels, funds and furniture of the Lodge so demised.

SEC. 15. Every Lodge within this jurisdiction may exercise all the rights of discipline over Masons, (not members thereof, or of any other Lodge,) who reside in the immediate vicinity of such Lodge, so far as may relate to the behavior and conduct of such Masons, whilst resident in the vicinity of such Lodge.

SEC. 16. No alteration or amendment shall take place in these By-Laws except in the following manner: Every amendment shall be proposed in writing at a regular Communication of the Grand Lodge, which shall be spread upon the minutes and printed with the proceedings of the Grand Lodge, and if two-thirds [See resolution No. XXI.] of the voters at the next regular Communication shall agree to the same, it shall become a part of these By-Laws.

SEC. 17. The Grand Master shall on the first day after the organization of the Grand Lodge at each Annual Communication, appoint the following standing committees, viz:

A Committee on Returns and Work of Lodges—To consist of three members, to whom shall be referred all the returns and work of Subordinate Lodges, and whose duty it shall be to examine the same, and report to this Grand Lodge.

A Committee on Petitions and Grievances—To consist of three members, to whom shall be referred all appeals to this Grand Lodge, and all petitions for new Lodges.

A Committee on Finances and Accounts—To consist of three members, whose duty shall be to examine and report on all accounts to them referred, and examine and report on the financial condition of the Grand Lodge; and

A Committee to Examine Visiting Brethren—To consist of two members.

SEC. 18. No Lodge acting under the jurisdiction of this Grand Lodge, shall knowingly receive any candidate in either of the Degrees of Masonry, that has been rejected by any other Lodge, without first receiving the unanimous consent of the Lodge that rejected him.

RESOLUTIONS

Of this Grand Lodge, adopted at sundry times, and as revised, and now in force:

I. *Resolved*, That this Grand Lodge instruct all the subordinate Lodges not to act upon any petition, either for initiation or membership, unless the same shall have laid over one lunar month.

II. *Resolved*, That subordinate Lodges shall not receive a petition for initiation from an applicant who lives nearer to another Lodge than the one he petitions, without first obtaining the unanimous consent of the other Lodge, at a regular meeting.

III. *Resolved*, That Brother Grand Secretary be requested to publish, in the proceedings of each Grand Communication, in connection with the returns of subordinate Lodges, a list of expulsions, suspensions, deaths and withdrawals of each Lodge as reported by them in their annual returns.

IV. *Resolved*, That from and after the adoption of this resolution, the Grand Treasurer and Grand Secretary be annually required to give bond, with approved security, payable to the Grand Master for the time being, for the faithful and lawful disposition of all moneys that may come into their hands belonging to the Grand Lodge.

V. *Resolved*, That the subordinate Lodges are requested to make their annual returns on or before the first day of the Annual Communication of the Grand Lodge.

VI. *Resolved*, As the opinion of this Grand Lodge, that it is contrary to and inconsistent with the ancient usages and precepts of our Order, to withdraw from a subordinate Lodge without some good cause, or to reside in the neighborhood of a subordinate Lodge without becoming a member thereof.

VII. *Resolved*, That hereafter no subordinate Lodge will be required to pay Grand Lodge dues for any members under the degree of Master Mason.

VIII. *Resolved*, That hereafter, on the first day of each Annual Communication of this Grand Lodge, the Grand Master appoint a committee on Work and Returns of Lodges Under Dispensation.

IX. *Resolved*, That this Grand Lodge of Illinois would recommend to the Lodges under her jurisdiction to do all their business in a Lodge of Master Masons, except conferring the first and second degrees. They would further recommend that all balloting for candidates for initiation be taken at a regular communication; and that no ballot for a candidate for initiation be taken at an adjourned Lodge, unless it be in a case of emergency, which should be stated.

X. *Resolved*, That so much of the 10th section of the By-Laws adopted by this Grand Lodge as requires "a majority of two-thirds of the voters present" to adopt any proposed amendment thereto, is inconsistent with, and in violation of the Constitution of, this Most Worshipful Grand Lodge; and is hereby declared to be null and void.

XI. *Resolved*, That it is the sense of this Grand Lodge that no money is authorized to be drawn from the Treasury but on the order of the Grand Master, with the consent of the Grand Lodge; which assent shall be signified by the attest of the Grand Secretary.

XII. *Resolved*, That it is recommended to the several subordinate Lodges under the jurisdiction of the Grand Lodge of Illinois, to procure, so far as it may be convenient and practicable, the names of all Master Masons residing within their respective jurisdictions, and report the same in their annual communications, for the information of this Grand Lodge.

XIII. *Resolved*, That it is the sense of this Grand Lodge, that subordinate Lodges under this jurisdiction should not employ traveling Lecturers appointed by Grand Lodges of other States, or those claiming to be appointed by any authority, except by the M. W. Grand Master of this State; nor permit them to lecture in their Lodges.

XIV. *Resolved*, That in issuing Charters to subordinate Lodges, they be numbered consecutively, according to the date of the application thereof; and that when a Charter is rescinded or surrendered, the number of said Lodge remain vacant, to be resumed when such Charter shall be restored.

XV. 1. *Resolved*, That resolution numbered 15 in the revised and adopted resolutions of this Grand Lodge, at its annual session for 1852, be, and the same is hereby rescinded.

2. *Resolved*, That vacancies in all the offices of a Lodge, except the Master and Wardens, can at any time be filled in the usual manner.

XVI. *Resolved*, That the Grand Lodge would recommend to the Lodges under her jurisdiction to do all their business in a Lodge of Master Masons, except conferring the first and second degrees, and the trial of E. A.'s and F. C.'s for delinquencies.

XVII. *Resolved*, That hereafter it shall be the duty of the Grand Secretary to append to the published proceedings all resolutions for the amendment of the Constitution and By-Laws, or any other matters on which it shall be necessary for subordinate Lodges to act; that he also notify them thereof by a published circular embodying such resolutions, in season for their action; and that such Lodges shall certify their proceedings thereon to the Grand Lodge.

XVIII. *Resolved*, That the Grand Secretary be instructed, in publishing the returns, to omit the rejections by subordinate Lodges.

XIX. *Resolved*, That any subordinate Lodge shall have the right to remit to indigent Masons within the jurisdiction of their Lodge, all dues whatever.

XX. *Resolved*, That the Grand Secretary be directed to pay the postage on the printed proceedings sent from his office.

XXI. *Resolved*, That, in the opinion of this Grand Lodge, the Wardens of a subordinate Lodge may preside and confer degrees in the absence of the Master, without regard to their having taken the Past Master's degree.

XXII. *Resolved*, That no Lodge under this jurisdiction shall initiate any candidate for a less sum than seven dollars, or pass to the degree of Fellow Craft for a less sum than three dollars, or raise to the sublime degree of a Master Mason for a less sum than five dollars; and that the three degrees shall in no case be conferred upon any one for a less sum than fifteen dollars: *Provided*, That any Lodge may confer the degrees without fees upon any acknowledged Minister of the Gospel; and in no case shall a degree be conferred by any Lodge upon a credit, but the fees must be actually paid at or before the time of admission to any degree.

XXIII. *Resolved*, That the Lodges under this jurisdiction be instructed to require of every candidate for advancement, to arrive at such proficiency as readily and legally to make himself known to Masons in the degree or degrees he shall have taken, before he can be advanced; which shall be ascertained by examination in open Lodge.

XXIV. *Resolved*, That the Grand Secretary be instructed to procure printed forms of returns, for the use of subordinate Lodges, and furnish a copy or copies thereof annually to the respective Lodges, in time for them to be filled up and returned to the Grand Lodge.

XXV. *Resolved*, That it is the sense of this Grand Lodge that the fourth clause of the Constitution was intended to mean that the proxy of any officer of any subordinate Lodge, should be a member of said subordinate Lodge.

XXVI. *Resolved*, That no Letter or Warrant of Dispensation shall be granted to form a new Lodge, unless, in the recommendation of the nearest Lodge, a certificate shall be embodied, that the Master recommended is fully competent to confer the three first degrees in Masonry.

XXVII. *Resolved*, That it is the sense of this Grand Lodge that no subordinate Lodge in our jurisdiction should confer any of the degrees on citizens residing in another jurisdiction, without the consent of such foreign jurisdiction, first had and obtained.

XXVIII. *Resolved*, That the subordinate Lodges under the jurisdiction of this Grand Lodge be instructed not to initiate any candidate who has not resided in the State of Illinois twelve calender months before such application be made; and that the expediency and propriety of adopting a similar rule, be earnestly recommended to our sister Grand Lodges of the United States, as being one means of preventing unworthy men gaining admission or access to the thresholds of our mystic temple, and also to preserve peace and harmony.

XXIX. *Resolved*, That at each session of this Grand Lodge, there shall be appointed a committee on credentials, whose duty it shall be to examine the credentials of the several Representatives, and report to the Grand Secretary a list of those who are legally entitled to a voice in the Grand Lodge.

XXX. *Resolved*, That subordinate Lodges under this jurisdiction be required not to confer the degrees on any candidate, unless he be a perfect man, having no maim or defect in his body, that may render him incapable of learning the art and being instructed in the degrees.

XXXI. *Resolved*, That a committee on Masonic Jurisprudence be appointed at each session of the Grand Lodge.

XXXII. *Resolved*, That the Grand Secretary be instructed to collect and publish, as

an appendix to the annual proceedings, all of the laws, by-laws and binding resolutions of the Grand Lodge.

XXXIII. *Resolved*, That the standing resolution which requires a unanimous ballot for each of the three degrees, should be understood literally; and that it should be the same in each, and unanimous in all, upon the moral, intellectual and Masonic qualifications of the applicant.

XXXIV. *Resolved*, That, hereafter, whenever a member of a subordinate Lodge removes permanently out of the jurisdiction of this Grand Lodge, without demitting, that said subordinate Lodge shall not be required to pay dues for said member.

XXXV. *Resolved*, That it is not in the power of a majority of the members of a subordinate Lodge to surrender the Charter of said Lodge, so long as seven Master Masons, members thereof, continue to work under said Charter, and according to the ancient landmarks of Masonry.

XXXVI. *Resolved*, That the old established Masonic law, that there is no appeal from the decision of a Worshipful Master of a subordinate Lodge, except to the Grand Lodge, is a salutary law, and should be cheerfully conformed to by subordinate Lodges.

XXXVII. *Resolved*, That it is the sense of this Grand Lodge, that no election for officers should take place in a Lodge U. D., but that all vacancies should be filled, by temporary appointments, by the Worshipful Master.

XXXVIII. 1. *Resolved*, That a summons issued by a subordinate Lodge, or the W. M. thereof, may be either *written or oral*.

2. That any summons issued as aforesaid need not contain any other matter except the requisition to attend the Lodge issuing the same, or the Master thereof, when required.

3. That every Master Mason, on being so summoned or notified, is bound to attend the meeting of the Lodge so requiring him, whether the same be done for the purpose of getting his testimony on matters before the Lodge, or to answer charges against himself.

4. That every Master Mason, whether he be a member of a Lodge or not, is bound to obey any summons issued by any Lodge under whose jurisdiction he may reside, without question as to the object thereof.

5. That any member of a subordinate Lodge is subject to the discipline thereof, excepting only the W. M.

XXXIX. 1. *Resolved*, That the Grand Officers and one recognized Representative from each Lodge under this jurisdiction, be allowed five cents per mile, going and returning, for every mile necessarily traveled from his place of residence, and one dollar per day for each day's actual attendance at the Grand Lodge.

2. That a committee on Mileage and Per Diem be appointed at each session of the Grand Lodge, whose duty it shall be to ascertain the distance necessarily traveled by each Officer and Representative entitled to mileage and per diem, and report the same to the Grand Lodge.

3. That the Grand Secretary be authorized to draw on the Grand Treasurer in favor of the Officers of the Grand Lodge and Representatives aforesaid, entitled to the same, for the amount of their mileage and per diem.

XL. 1. *Resolved*, That all Subordinate Lodges under this jurisdiction be instructed to admit no negro or mulatto, as visitor or otherwise, under any circumstances whatever.

2. That if any Lodge under this jurisdiction hereafter violates this expressed will of this Grand Lodge, it shall be the duty of the Most Worshipful Grand Master of this State at once to arrest their charter.

XLI. *Resolved*, That no Subordinate Lodge shall be permitted to return a petition which has been presented and referred for membership or initiation, without first balloting for the candidate.

XLII. *Resolved*, That no ballot shall be spread for the initiation of a candidate except at a regular communication, unless under a special dispensation from the M. W. Grand Master.

XLIII. *Resolved*, That Subordinate Lodges in petitioning the M. W. Grand Master for a special dispensation to confer degrees, shall set forth fully and clearly the emergency making it expedient for the dispensation.

XLIV. *Resolved*, That every non-affiliated Master Mason is under the high obligation to contribute annually, or oftener, to the treasury of the Subordinate Lodge under whose jurisdiction he resides, that thereby he may lay up a store upon which he, his widow or ophans, can draw in future. should any adverse providence of God bring them to want; and any non-affiliated Master Mason who shall neglect or refuse so to contribute, unless excused by the Lodge, after being duly notified of the action of this Grand Lodge on this subject, shall forfeit all the rights, privileges and benefits of Masonry.

XLV. *Resolved*, That it is the sense of this Grand Lodge, that no subordinate Lodge in our jurisdiction, should confer any of the degrees on citizens residing in another jurisdiction, without the consent of such foreign jurisdiction first had and obtained.

XLVI. *Resolved*, That leave to demit from a Lodge should not be granted until the member asking it shall produce the Secretary's receipt, in full, for all dues against him.

XLVII. *Resolved*, That a Masonic demit dates from the Lodge record, when the same was granted, and consequently membership ceases with said date.

XLVIII. *Resolved*, That the "Masonic Trestle Board," published by R. W. Bro. Charles W. Moore, of Boston, is a publication eminently meriting the approbation of this Grand Lodge, and that the subordinates within the jurisdiction of this Grand Lodge, be recommended to make use of the same in conferring degrees.

XLIX. *Resolved*, That it is the opinion of this Grand Lodge, that when any candidate for the privileges of Masonry, shall be rejected by a subordinate Lodge, by a mistake or misapprehension, the person or persons making such mistake, or voting under such misapprehension, may at any future meeting have the opportunity to correct their votes: *provided*, all the members of said Lodge have notice that said application will be made at said meeting.

L. *Resolved*, That no Lodge working under the jurisdiction of this Grand Lodge, shall be allowed to do any irregular work, unless it be by dispensation from the Grand Master; and any Lodge working under such dispensation, shall be required to return such dispensation to this Grand Lodge, at its first communication thereafter.

LI. *Resolved*, That it is inconsistent with Ancient usage, for the By-Laws of a subordinate Lodge to contain a provision authorizing or permitting a dispensing with any portion of the same, under any circumstances.

LII. *Resolved*, That it is the sense of this Grand Lodge, and they would therefore instruct all Masters of subordinate Lodges, or those who are called upon to confer the three degrees of Symbolic Masonry, that they are required to give the degrees in full, together with the Lectures; and that no work, according to the Ancient Charges, should be undertaken by any Lodge, that they cannot in due time perfect.

LIII. *Resolved*, That in computing the mileage of Representatives, the committee on Mileage and Per Diem be instructed to calculate by the most direct route.

LIV. *Resolved*, That it is the sense of this Grand Lodge that the Universal Masonic Library should be in the possession of every subordinate Lodge within this jurisdic-

tion, and the private library of every Mason, as a work calculated to aid in disseminating that Masonic light which the Craft are daily seeking, and it is earnestly recommended, that the subordinate Lodges, and individual members, supply themselves with the same, as far as their abilities will permit.

LV. *Resolved*, That the Most Worshipful Grand Master, with such assistance as he may select, be requested to illustrate the work of opening and closing a Lodge, calling from and to labor, from one degree to another in the business of a Lodge, and in the three first degrees of Masonry, on the evenings of the first and second days of each session of this Grand Lodge.

LVI. *Resolved*, That the Lodges subordinate to this jurisdiction be required to make return to the Grand Secretary of the names of their officers, immediately after their annual election.

LVII. *Resolved*, That this Grand Lodge recommend to all subordinates to enter on their returns, the amount of charity or relief granted by each Lodge, and that the several sums be aggregated and printed with the proceedings.

RECORD

Of answers to questions of Masonic law and usage submitted to the Grand Master of the Grand Lodge of Illinois, as required to be kept by a resolution of the Grand Lodge at its annual communication held at the city of Springfield, in October A. L. 5855, A. D. 1855.

STAYING THE BALLOT—The Worshipful Master of a Lodge is clothed with no power which authorizes him to suspend the ballot, or to refuse to declare the result, when clearly ascertained. The W. M. mistakes his duty in supposing that it is competent for him to withhold the result of the ballot; the result is the judgment of the Lodge, the Master having no control over it. It is his duty to declare the ballot when taken.

BALLOTTING FOR CANDIDATES—The rules of our Grand Lodge prohibit a ballot being spread for the initiation of a candidate at any other time than a stated meeting. Your Lodge consequently erred in spreading the ballot at a special communication, notwithstanding more than four weeks have passed since the presentation of the petition. Yet while this is the case, it can in my opinion, in no degree affect the right of the individual brother initiated. He was without doubt regularly initiated in a just and regularly constituted Lodge of Entered Apprentice Masons, so far as he is concerned. He, in my opinion, needs no healing, but is to all intents and purposes, an Entered Apprentice Mason, and should be so regarded.

INSTALLATION OF OFFICERS—It is not necessary that any appointment should emanate from the Grand Master for the installation of the officers of a Lodge under Charter, except when the Lodge is just constituted. It is usual for the retiring W. Master to install his successor. Any Past Master may perform that ceremony.

THE SMALLEST NUMBER THAT CAN OPEN AND WORK—Three Master Masons is the least number that can open and work in a Lodge of Master Masons. It would certainly be very inconvenient to do work with so small a number, yet the work would be legal.

RESTORATION OF AN EXPELLED MASON—The Grand Master has no authority to restore an expelled Mason. It can only be done by a vote of the Grand Lodge. By granting a dispensation to open the proceedings of the Lodge had in his expulsion, would in my opinion only be doing by indirect means what the Grand Lodge has forbid being done directly. The fact that the expulsion has been reported to the Grand Lodge renders

the impropriety of any interference by me conclusive. The power, however, is not believed to exist.

The report of the committee on the petition of a candidate being favorable or unfavorable, cannot affect the action of a Lodge in relation to withdrawing petitions. The petition cannot be withdrawn after it has been referred, under any circumstances.

ELECTION OF OFFICERS IN LODGES U. D.—The Lodges U. D. have no authority to elect officers to be installed under the charter until after the Lodge is constituted. The officers to be first installed are those named in the charter.

ENTERTAINING PETITIONS OF REJECTED CANDIDATES—It would not be proper for your Lodge to entertain a petition from one who had been rejected by any other Lodge in this jurisdiction, without the unanimous consent of the Lodge that rejected him.—The fact that the petitioner does not live in the jurisdiction of the Lodge which rejected him does not change the force of the rule. While it might not be proper for the Lodge to entertain the petition itself, the petitioner living in your jurisdiction, yet it is competent for that Lodge to give its unanimous consent to your Lodge to act upon it. The long established usage in this State requires the rejected candidate to tarry *one year* before his petition can be again received.

THE VOTE NECESSARY TO REINSTATE—Two-thirds of the members present may restore a suspended Mason; consequently the vote of one brother cannot keep your Lodge from reinstating the suspended Mason in all the privileges of Masonry.

RECOMMENDATION FOR NEW LODGE—The Grand Master has no authority to grant a dispensation to open a new Lodge without the approval and certificate of the Lodge nearest the place where the new Lodge is proposed to be located, as required by the Grand Lodge, unless that approval and certificate has been applied for and improperly withheld, which must be made very clearly to appear. The recommendation and certificate of an individual Mason, however distinguished, cannot be substituted for the requirements of the Grand Lodge.

CONFERRING DEGREES BEFORE PAYMENT OF FEE—While it would be highly improper for a subordinate Lodge to confer the degrees of Masonry upon any one before his having paid in the fee while resolution No. 22 of the Grand Lodge remains in force, it is competent for your Lodge to impose a further restriction, and require the payment of the fee before the candidate is balloted for, or even at the time of receiving the petition. Such a regulation in no way conflicts with the regulation of the Grand Lodge.

VACANCY IN A LODGE U. D.—When a vacancy occurs in a Lodge U. D. by death or otherwise, of its Master, the authority of Master in that Lodge becomes vested in the Senior Warden, as in Chartered Lodges. While the Grand Master may appoint another Master.

PRIVILEGES OF AN ACCUSED BROTHER—It is proper for an accused brother to sit in open Lodge, hear the testimony of Master Masons who may there testify against him, to be heard in open Lodge in his own defence, and it is proper for him to withdraw when the evidence is closed, and he has been heard in his own defence.

When the accused appears in obedience to a summons to answer certain charges on a *certain day*, the Lodge may dispose of other business proper to be transacted before going into the trial, and there can be no impropriety in the accused remaining in the Lodge during the transaction of that business. The Lodge may take testimony of Master Masons in open Lodge or by commission, and the commission may in their discretion take the testimony of members of the Lodge, and all other persons at the same time: *Provided*, the accused by present, or has had proper notice of the time and place of taking the testimony.

INITIATES RESPONSIBLE—As a general principle a candidate after initiation cannot

be called upon to answer charges on account of an offence committed before his initiation. All that can be done is to prevent his progress if you are satisfied that he is unworthy. It sometimes occurs when it would be proper to institute an inquiry into charges based upon offences committed before initiation, but these are exceptions to the general rule. When a brother is received into our Lodge who has committed an offence prior to his introduction, which offence has been brought to light afterward, it would then be proper to deal with him for that offence. But when the charge is of long standing, as in your case, and where the charges have long been in the possession of the public before his initiation, although the Lodge may have been ignorant of them, it would not, I think, be proper to call upon the brother to answer to such charges.

Rejected Petition for Degrees—There is no regulation of our Grand Lodge or in the general requirements of Masonry which forbid a candidate for advancement from having his petition for degrees presented at every stated meeting of the Lodge, or the Lodge from entertaining that petition. The regulation requiring rejected candidates for initiation to tarry twelve months before again making application for initiation does not apply to candidates for degrees.

How far an Objecting Brother may Go.—When a brother has petitioned for advancement, and the ballot found to be unanimous in favor of the petition, and a brother afterwards appears and objects to the brother receiving the degree, the ballot having done its work, it appears to me that the same rule ought to apply which would apply should the Lodge undertake to suspend or expel a brother, a vote of two-thirds of the members present should be required to withhold what he is by unanimous ballot entitled to.

Is a Demit necessary in order to unite in Petition for a New Lodge—A Master Mason who may wish with others to unite in the formation of a new Lodge is not required to demit from the Lodge to which he belongs, for that purpose, and becomes regularly demitted from that Lodge when the new Lodge receives a Charter.

Can the W. M. of a Lodge unite in the formation of a New Lodge—According to the laws as at present received by our Grand Lodge a Master cannot resign his office during the term for which he was elected. If he cannot resign his office during the time for which he was elected, then it appears to me that he cannot unite in the formation of a new Lodge, for that course would necessarily carry with it the resignation of his office. If a brother accepts an office in a Lodge, he accepts it with all the conditions which it imposes, and if one of these conditions be that he cannot resign his office during the term for which he was elected, he must do nothing by which that office would become vacant.

Can a Lodge U. D. Recommend a New Lodge—The recommendation for a new Lodge, and the certificate accompanying it, must emanate from a Chartered Lodge.—A Lodge U. D. has no authority to grant a recommendation. Lodges U. D. are not exempted from the performance of any duty required of a Chartered Lodge in relation to the rejection of candidates, or the suspension or expulsion of members. Rejections are to be noted and reported to the Grand Lodge.

Lodges U. D. are expected and required to pay dues to Grand Lodge while working under dispensation, the same as Chartered Lodges.

Powers of a Lodge U. D.—A Lodge working under dispensation has full power to punish by suspension or expulsion or any other way it may deem proper, any of its members for unmasonic conduct. And it is its duty to exercise that authority on all necessary occasions.

How far a Brother who has been received in your Lodge can be held Responsible for an offence committed before his introducion.—It appears to me that the

case presented by you is now beyond your reach so far as his initiation is concerned, and all that your Lodge can do is to prevent his progress if you are satisfied that he is unworthy. It sometimes occurs when it would be proper for Lodges to examine into charges based upon an offence committed prior to his connection with it, but there are exceptions to the general rule. When a brother is received into a Lodge who has committed an offence prior to his introduction, and which has been brought to light afterwards, it would be proper to deal with him for that offence, but when the charge is of long standing, as in the case from your Lodge, and when the charges have been in possession of the public before his initiation, although the Lodge may have been ignorant of them, it would not, I think, be proper to call upon the brother to answer to such charges.

JURISDICTION OF A LODGE—When two or more Lodges exist in one town or city the jurisdiction of each is the same, unless some arrangements may have been entered into between the Lodges defining their respective bounds. A brother has the right to prefer charges against the members of another Lodge, of which the accused brother is a member.

The Worshipful Master has no right to delegate his authority in his Lodge; in his absence, all authority which properly belongs to the W. M. is vested in the Senior Warden, and the Senior Warden is the only one responsible for the acts of the Lodge during the Master's absence.

PRIVILEGE OF SENIOR WARDEN.—A Warden, according to the regulations of our Grand Lodge may—indeed it is his duty—to preside at Lodge meetings and confer degrees in the absence of the Master, even if he should never have taken the degree o Past Master.

NON-AFFILIATED MASONS REFUSED ADMISSION—No non-affiliated Mason can be admitted to visit a Lodge while any member of that Lodge objects. That brother or any other may prefer charges against a non-affiliated Mason, but is not compelled to do so. The general usage is, that it is not necessary to demit before signing a petition for a new Lodge.

A brother cannot be a member of two Lodges at one and the same time.

It is not proper to grant a dispensation to form and open a new Lodge when the Master, Wardens or either of them, are of the number of petitioners.

The nearest Lodge must be satisfied as to the expediency of the formation of the new Lodge, as well as to the qualifications of the brother proposed as Master.
